A robust, masculine bull with a thick, strong neck, displaying good width, well-developed forearms, excellent slope, and hook pin length. Fanta stands out with an outstanding days to calving Estimated Breeding Value (EBV) – highlighting his fertility! In comparison to other bulls in Southern Africa, Fanta holds the top Self-Replacing Grassfed Index(R) and ranks second in both the Feedlot and Weaner Index categories. Undoubtedly, he is the top performer among Namibian bulls. Among all active Sires in Southern Africa, he holds the second-best Self-Replacing Grassfed Index(R). Quite impressive! This ultimately translates to more money in your pocket.

AGRA AUCTIONS GENERAL TERMS AND CONDITIONS

- 1. Registration** – All Buyers must register for a bidder's number by completing the customer detail document. AGRA reserves the right to request a cash deposit prior to allocating a bidder's number to a Buyer which will only be refunded to a Buyer upon conclusion of the auction and after all costs have been deducted. In the event of a successful bid the deposit will be deducted from the payment due.
- 2. Identification** - A Buyer must supply AGRA (the auctioneer) with all information as per the customer detail document as same is required by the Financial Intelligence Act, No 13 of 2012. If a Buyer buys on behalf of another person or legal entity he must make this fact known to AGRA at the time of registration. The bidder shall be personally liable for the due fulfilment of all obligations in terms hereof, in the event that he/she/it cannot provide a Power of Attorney legally binding the principal. If the Buyer is a CC, (Pty) Ltd or Trust, the person registering, together with the member, director, or trustee responsible for the bidding or being the principal shall be a co-principal debtor for the due fulfilment of the bidder/Buyer/principal's obligations.
- 3. Addition or withdrawal from sale** - AGRA reserves the right to withdraw from sale any of the items listed or to sell items not listed, to group one or more lots into one or more selling lots or to subdivide into two or more selling lots.
- 4. Dispute or mistake** - If any dispute arise between two or more bidders, the auctioneer may decide the same or may immediately put the item or lot up for sale again, and resell to the highest bidder, at the sole and exclusive discretion of the auctioneer. The decision of the auctioneer shall be final and absolute. Any bona fide mistake made by the auctioneer during the auction will bind neither the auctioneer, but may be corrected at once.
- 5. Condition of items sold** - The auctioneer shall not be responsible for the correct description, authenticity, estimated selling price of, or defect in any item, and makes no warranty in connection therewith notwithstanding any advertisement. No allowance will be made or sale set aside on account of any incorrectness, error, or any imperfection. No deduction will be allowed on damaged articles as all items are sold "as is" and without recourse. It is recorded that AGRA merely acts as agent for the Seller and do not accept any responsibility of any kind.
- 6. The Seller**, who offers the items for sale, accepts any liability regarding the information furnished as to pedigree, ages, dates of service, state of health or gestation or any other particulars that might be incorrect. In the event of any dispute the Buyer shall only have a claim against the Seller and not against the Auctioneer. The Buyer shall, prior the sale ascertain whether there are any defects in the items and any bid by the Buyer shall be considered as acceptance of the items with any patent of latent defects in their condition at the time of the sale.
- 7. Bids** - The auctioneer has the sole and exclusive right to refuse any bid, to regulate the bidding, to determine the last bidder and to change the order of sale from time to time without giving any reasons. The sale is subject to a reserve price, unless specifically stated to the contrary by the auctioneer. The Seller and/or his representative and the auctioneer may bid up to the reserve price of the Seller. The highest accepted bidder (subject to the Seller's reserve price), will be the Buyer. A bid will be made to a single unit within a lot and not for the lot in its entirety. All bids are VAT exclusive, unless specifically stated otherwise.

If the Buyer pays by way of a loan, arrangements must be made with AGRA regarding the registration of the Buyer).
